

Augment Ventures November 2018 Newsletter

In our October newsletter, we showcased our latest investment, [Geotix](#), a Traverse-City based company.

We also highlighted news from our portfolio companies [LLamasoft](#), which was named to Detroit's Best and brightest Companies to Work For List and [Aperia Technologies](#), which launched a Chrome Wheel Cover Option.

This month, we're excited to share a new partnership recently announced by our portfolio company, [Lumenetix](#). On October 18th, 2018, Lumenetix entered into a partnership with Lumileds, one of the world's largest global lighting solutions companies. This partnership aims to bring to market a simple to integrate and easy-to-install plug and play solution that delivers high quality tunable-white light.
